| <b>Dates</b>                             | 1. <b>21 Feb- 6 March 2026</b> in Johor Bahru (2-Weeks)                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| <b>Program outline</b>                   | 1. This program is based in UTM (Johor Bahru). Students will attend lectures and visits on sustainable development and cultural diversity.<br>2. The course is designed to highlight and showcase various sustainable development initiatives in Malaysia and Asian countries.                                                                                                                                                                                                                                                     |
| <b>Attainment objectives</b>             | 1. To acquire global leadership skills, and cross-cultural communication skills<br>2. To have a vision of working in global settings in sustainable development.<br>3. To improve the abilities on gathering information, presentation skills and teamwork through fieldwork in overseas.<br>4. To deepen the understanding of the history, culture, economy and natural environment in Malaysia.                                                                                                                                  |
| <b>Required preparatory study</b>        | 1. Students will be provided with program outlines and reading material about 1-2 week prior to the program<br>2. Students are recommended by the International Office of home country.                                                                                                                                                                                                                                                                                                                                            |
| <b>Grading criteria &amp; evaluation</b> | Lectures, Group & Individual assignments, Peer teaching, Group Presentation                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Advice</b>                            | 1. All participants are advised to bring their own laptop or notebook to prepare the team project.<br>2. Disciplined behaviors are required for both lecture and fieldwork classes.                                                                                                                                                                                                                                                                                                                                                |

| Excluded   | Meals, Insurance, Transportation during Free & easy time.                                                                                                                                                                    |

#### Remarks:

- 1) For return flights, it is good to fly from the Senai Airport (15 min from UTM Johor by bus) although we could also cover airport transfer from KL International Airport (KLIA) or Singapore Changi Airport for a group of equal and more than 15

students. If the number of students is less than 15, an extra fee of USD50/student is charged for one way airport transfer via KL/Singapore.

- 2) UTM Johor to KL International Airport will take about 4 hours by bus.
- 3) Complimentary Airport transfer services via Kuala Lumpur or Singapore are only provided for a group of students over 15 students, an extra fee of USD50/student per one way is charged for less than 15 students.
