

EURAXESS ASEAN Flashnote

8 April 2017

Southeast Asia - Europe Joint Funding Scheme call for Proposals. Deadline 30 June

The EU funded [SEA-EU-NET 2](#) project has launched the first call of the Southeast Asia - Europe Joint Funding Scheme. Eligible for funding are joint R&D projects designed to lead to innovative products, services or processes of significant economic and/or societal value to both Europe and Southeast Asia. Projects must comprise of at least 3 partners (either 2 different Southeast Asian partners and 1 European partner or 2 different European partners and 1 Southeast Asian partner). Priorities are health; Environment/ Climate Change; and Impact of Climate Change. More info [here](#)

United Kingdom: UK – Philippines: Joint Health Research Initiative Call for Concept Proposals. Deadline 11 May

The UK Medical Research Council (MRC), and the Department of Science and Technology (DOST) through the Philippine Council for Health and Research invite concept proposals to the second UK-Philippines Joint Health Research Call. This initiative will provide funding for high quality 3-year collaborative research projects focusing on Communicable and Non-Communicable Diseases of relevance to the Philippines.

ASEAN: Third Batch of SHARE Scholarships for ASEAN Students Open for Applications.

The scholarship provides fully funded, short-term (one semester) exchange of students from a network of 32 participating universities across the region. It is open to students who have completed at least two semesters of study and have been accepted to study at one of the participating universities. For this third batch, 125 scholarships are available for study in an ASEAN country. Additional 50 fully funded scholarships are available to spend one semester of study at one of the 8 participating universities in Europe. More information [here](#).

Germany: Germany's "Green Talents Award" 2017 - Open for Application. ASEAN Researchers Eligible. Deadline 23 May

Are you a young scientist engaged in the field of environmental and sustainability research? Would you like to gain access to first-class research facilities in Germany? Are you interested in sharing ideas and opinions with leading researchers in your field? Then apply for the "Green Talents Award 2017" with which the Federal Ministry of Education and Research (BMBF) promotes 25 young scientists each year in the field of environmental and sustainability research. More info [here](#).

Interactive Visualisation of ASEAN-EU Co-publications Now Available Online.

Southeast Asia has doubled its share of the world's research publication output over the last decade. The number of annual international patent applications involving ASEAN-based inventors has tripled from the early 2000s to the early 2010s. The EU funded SEA-EU-NET project has analysed ASEAN research output in terms of publications and patents. This data can now be explored in an interactive way in your browser. Details [here](#).

Germany: Be Part of the Falling Walls Lab in Singapore and Malaysia. Singapore Registration Opens on 17 April. Malaysia Now Open

This event provides students, young researchers and professionals of all disciplines and nationalities an opportunity to present their research projects or ideas in 3 minutes and in English, in front of a non-specialised audience. The winners from the Falling Walls Labs from around the world - including the Falling Walls Lab Singapore and Falling Walls Lab Malaysia- will gather for the Falling Walls Lab Finale in Berlin in November. Details for the Singapore event [here](#). and Malaysia [here](#)

Open Science Meetings: Scientific cooperation Indonesia – Netherlands. 15-17 May, Yogyakarta, Indonesia

The eighth Open Science Meeting, entitled Towards Resilient Society, will be held from 15 to 17 May 2017 in Yogyakarta, Indonesia. The OSM 2017 programme features scientific presentations, an innovation fair, public debates, workshops, keynote speeches, poster presentations, and science for policy sessions. Around the OSM plenary days, master classes on different themes will be held at several locations around the archipelago. More info [here](#).

Italy: 13 Three-year Early Stage researchers Positions in Quantum Access and Retrieval Theory at the University of Padova. ASEAN Researchers Eligible. Deadline 30 April

The University of Padova, Department of Information Engineering (Italy) is pleased to inform you that the applications for 13 three-year Early Stage Researcher (ESRs) positions in the framework of the Quantum Information Access and Retrieval Theory – QUARTZ project are now open. QUARTZ (<http://www.quartz-itn.eu>) is a Marie Skłodowska-Curie Action - Innovative Training Network (ITN) that aims to educate ESRs to adopt a novel theoretically and empirically motivated approach to IAR based on the quantum mechanical framework that gives up the notions of unimodal features and classical ranking models disconnected from context. Details [here](#)

Germany: Collaborative projects in Sustainable Development of Urban Regions. Call Targets Southeast Asia. Deadline 25 April

The aim of the funding measure is to develop and test locally-adapted strategies for the sustainable development of urban regions and to encourage the strategies' permanent implementation in order to improve ecological factors (emissions, energy and resources efficiency, etc.) and increase urban resilience. This funding call is initially limited to the target regions of Southeast Asia (ASEAN countries) and China. Details [here](#).

Netherlands: Visitors Travel Grants. ASEAN Researchers Eligible. Rolling Deadline

The Visitors' Travel Grant programme provides scholarships to highly qualified, foreign senior research graduates who make an important contribution to a Dutch research project. The programme aims to promote cooperation between Dutch and foreign researchers. With these grants researchers can stay in the Netherlands for up to 4 months. Continuous application. Details [here](#).

Germany: DAAD Scholarships for ASEAN students Interested in a Masters Degree in Engineering in Bangkok and Aachen, Germany. Deadline 15 May, 2017

Students from across Southeast Asia (except Thailand) may apply for DAAD scholarship which covers tuition fee and all living expenses during the first year study at the Thai-German Graduate School in Bangkok and the second year study at RWTH Aachen University in Germany. Details: [here](#).

EURAXESS Country in Focus: ESTONIA – a place for independent minds

Did you know that Skype was programmed in Estonia in 2003? Or that Estonia has used legally binding digital signatures since the year 2000? Find out more about research, technology and innovation in Estonia in the EURAXESS Country Profile [here](#)

Join Thousands of Fellow Researchers in the EURAXESS Network

The EURAXESS web portal makes it even easier for researchers, entrepreneurs, and businesses in Europe and ASEAN to interact with each other. The portal contains thousands of job postings as well as funding and fellowship opportunities. Find out more [here](#).
