Scholarships for your Master's studies at the Thai-German-Graduate-School (TGGS) Bangkok/Thailand

A partner institution between RWTH Aachen University (Germany)
and KMUTNB (Thailand)

RWTH Aachen University is proud to offer a scholarship to support your Master's studies at TGGS. The second year of these programs is to be spent as a research stay at RWTH Aachen University. This support is financed by the German Academic Exchange Service (DAAD) and the German Federal Foreign Office.

Objective

To successfully complete a 2-year international Thai-German Master's Program in Engineering (8 different programs available) starting August 2014.

Target Group and Selection Process

Students with a Bachelor Degree and excellent academic records from South-East-Asian countries (not including Thailand). The selection process is highly competitive and will include interviews held in June 2014.

Scholarship Value

The scholarships are granted for the first academic year beginning August 1, 2014. An extension to the second year will be granted according to your performance during the first year. The scholarship contributes 1,250 € to each semester's tuition fees, 100 € to your first journey to Bangkok and monthly cover 225 € of your living expenses.
